IMPACT: State & Local

Summary of Legislation: This bill removes language from the chiropractors licensure statute concerning the practice of chiropractic or medicine by a physical therapist.

Effective Date: July 1, 2004.

Explanation of State Revenues: This bill prevents a licensed physical therapist from performing chiropractic maneuvers on a patient. Violation of this statute would make them subject to an injunction, restraining order, or other appropriate order of the court.

Court Fee Revenue: If additional civil actions occur, revenue to the state General Fund may increase if court fees are collected. A civil filing fee of \$100 would be assessed when a civil case is filed. 70% of the filing fee would be deposited in the state General Fund if the case is filed in a court of record or 55% if the case is filed in a city or town court.

Explanation of Local Expenditures:

Explanation of Local Revenues: *Court Fee Revenue:* If additional civil actions occur, local governments would receive revenue from the following sources. The county general fund would receive 27% of the \$100 filing fee that is assessed in a court of record. Cities and towns maintaining a law enforcement agency that prosecutes at least 50% of its ordinance violations in a court of record may receive 3% of court fees. If the case is filed in a city or town court, 20% of the court fee would be deposited in the county general fund and

25% would be deposited in the city or town general fund.
